Sir:

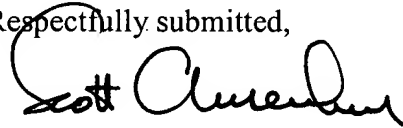

Enclosed is new terminal disclaimer to be entered into this application. A terminal disclaimer was previously filed on June 2, 2004 in this application. This earlier terminal disclaimer listed Geron Corporation as the disclaiming entity. The instant application is co-owned by Geron Corporation ("Geron") and The Regents of the University of Colorado ("CU"). The intent when filing the first terminal disclaimer was for the disclaimer to be effective with respect to both Geron and CU. To confirm and clarify this intent, a new terminal disclaimer is provided that lists both Geron and CU as

the disclaiming parties. This new terminal disclaimer confirms, supplements and, so far as relevant, supplants the earlier terminal disclaimer.

The Office is authorized to charge the terminal disclaimer processing fee associated with entry of this replacement terminal disclaimer to Deposit Account 20-1430 if a further processing fee beyond that already paid is required.

If the Office has any questions regarding the submission of this terminal disclaimer, please telephone the undersigned at (303)571-4000.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Scott Ausenhus", written over the typed name.
